

PRODUCT CHANGE NOTIFICATION

Pro Affected:

LSR Part Number	Old Rev	New Rev	Description
001-0014	2	3	Antenna, 2.4 GHz FlexPIFA, 100mm Length Cable

Description of Change:

The top dimension of the FPC increased to improve the tuning, and UV glue was added to strengthen the cable joint. The orientation of the silkscreen was also changed to be consistent with other LSR products.

Reason for Change:

Changes were made to the FlexPIFA antenna to improve the tuning and strength of the cable joint. The orientation of the silkscreen was also changed to be consistent with other LSR products.

Anticipated Impact of the Change:

Improved performance

Method of Identifying the Changed Product:

The label will reflect the revision level.

Factory Effectivity Date:

LSR anticipates shipping the antennas with the new revision level starting in April, 2016.
